

Washington, D.C. Youth Tour 2011 Application

June 10-16, 2011

*Full sponsorships available through
Eau Claire Energy Cooperative*

Eau Claire Energy Cooperative is offering a full sponsorship (including all meals, two way airfare, chaperoned bus travel and hotel room for two Youth Ambassadors to participate in this fun and exciting tour of Washington, D.C. This sponsorship is valued at about \$2,000.

On the Youth Tour you will join high school students from other energy cooperatives around the United States to visit Washington, D.C., learn more about our government, and meet your legislators and staffs. Plus you join with other co-op high school students to tour historical monuments and museums.

This offer is open only to high school sophomores, juniors and seniors who are participating in our Youth Ambassador Program. Students must live in homes served with electricity from Eau Claire Energy Cooperative.

Name _____ Date _____

High School _____ Year in School _____

Parent/Guardian name(s) _____

Address _____

City/State/Zip _____ Phone# _____

Please list the community service projects in which you have participated through Eau Claire Energy Cooperative's Youth Ambassador Program. Be sure to include projects for all years you have participated in our program:

Test Your Home's Energy Efficiency & Your Knowledge

This is a test of your energy efficiency knowledge. In 500 words or less, describe at least 8 different energy efficient measures your family has already taken or ways in which your home could be more energy efficient. You will need to be succinct and to the point. Be creative with your ideas and feel free to include photographs and drawings. Use your own experiences, anything you have learned from your Youth Ambassador Program educational meetings and tours, and information from other resources such as the web sites listed below. You are not limited to these web sites. (Be sure to include this completed sheet with your entry.)

- www.ecec.com (You will find links to many other web sites)
- www.energyhog.org
- www.energy.gov
- www.touchstoneenergy.com
- www.togetherwesave.com
