

# Air Conditioning System

Ready for the  
Summer  
Heat?

**It's never too early to have your central air conditioning unit checked over and serviced for summer.**

***See your friends at Energy Connections for:***

- ◆ Quality 24/7 cooling and heating service
- ◆ Free quotes on new high efficient air conditioning systems
- ◆ Many systems are eligible for rebates and tax credits
- ◆ Highly qualified & experienced employees

Plan now to have your central air conditioning unit serviced or upgraded this spring before the summer heats up!

***Contact Energy Connections today for expert service on your current central air conditioner or the installation of a new more energy efficient unit.***

**Office Hours: Mon-Fri 7:30am - 4:00pm**
