Energy Connections, a subsidiary of Eau Claire Energy Cooperative, offers a number of programs to meet your propane gas needs. If you have any questions on any of these programs or have any suggestions please contact Energy Connections at 715-832-1603 or 888-832-1604. Or contact us on the Internet by e-mail at [info@ecec.com](mailto:info@ecec.com) or on our web site at [www.ecec.com](http://www.ecec.com)

## **Propane Gas Programs**

### **Leased above ground tank option using propane gas as your main energy source:**

Tank sizes vary. Energy Connections will help you determine the appropriate size for your needs.

#### **Above Ground**

120 gallons	500 gallons
250 gallons	1000 gallons
325 gallons	

The lifetime tank lease fee is \$1 for above ground tanks. Lease is transferable at no charge and includes:

- 1.) You choose the above ground tank size.
- 2.) One high pressure regulator; additional charge for low pressure regulator and fittings.
- 3.) Up to 50 feet of high-pressure piping. Any length of piping over 50 feet is billed at \$2.50 per foot.
- 4.) A complete leak check of your system will be performed before any propane gas is turned on.
- 5.) Annual lease fees will be assessed if minimum usage requirements are not met.

### **Leased Tank option using propane gas for back up heating systems (Dual Fuel) or Minimum users:**

- 1.) You choose the above ground tank size.
- 2.) Annual lease fee is assessed according to tank size. (see below)
- 3.) Energy Connections will furnish up to 20' of high-pressure piping. Any length over 20 feet is billed at \$2.50 per foot. You are responsible for all labor, the purchase of a low-pressure regulator and fittings to connect propane gas to low pressure piping.
- 4.) Back up systems will be filled on a will call basis only.

#### **ANNUAL LEASE FEES**

120 Tank -- \$ 50.00; 250 Tank -- \$ 75.00  
325 Tank -- \$ 90.00; 500 Tank -- \$ 100.00  
1000 Tank -- \$ 200.00

#### **MINIMUM USAGE**

120 Tank -- 170 gallons; 250 Tank -- 340 gallons  
325 Tank -- 430 gallons; 500 Tank -- 690 gallons  
1000 Tank -- 1260 gallons

- A yearly fee will be assessed if minimum usage requirements are not met.
- Under ground 250, 500 and 1000 gallon tanks are available for purchase only.
- Above and under ground tanks are available for sale; Customer responsible for excavating costs; additional charge for labor, regulators, anodes, fittings, piping, etc.

*All of these propane gas programs and prices are effective November 3, 2008. Be sure to check with Energy Connections for current program details since changes may be made at any time.*

## **Payment Options**

### **Budget Plan**

Eliminate the highs and lows of your monthly energy bill and pay the same amount each month. A level payment plan helps you spread your energy costs evenly over a 12-month period. The amount of your payment is based on the past 12 month average monthly usage. Budget plan begins in May. The payment plan is reviewed every 6 months.

Budget Plan payments may be made automatically and conveniently each month through the Energy Connections Direct Payment program from your checking, savings, or credit/debit card.

### **Metered**

- 1.) Meter charge \$5.00 per month. Pay for propane gas after you use it; billed at the market price.
- 2.) Meter charge \$5.00 per month with pre-buy of propane gas.
- 3.) Account must be kept current prior to receiving future deliveries.

### **Pre-Buy**

Prepay for the propane gas at a discounted price. A minimum of 250-gallon is required for a delivery after the contracted pre-buy quantity is used up. Account must be kept current prior to receiving future deliveries.

### **Automatic Delivery**

Energy Connections will automatically keep your tank filled for you. Pay for your propane gas with a 3 cent per gallon discount if you pay within 3 business days after delivery. Account must be kept current prior to receiving future deliveries.

### **Will Call**

- 1.) 5 business days notice
- 2.) After hour emergency delivery ...\$100.00; and \$25.00 out of gas leak check charge on all empty tanks.
- 3.) If delivery is needed for same day, an after hour delivery charge will be applied. Minimum delivery – 250 gallons for 500 gallon tanks; and 400 gallons for 1000 gallon tanks. Complete fill required for 325 gallon or smaller tanks.
- 4.) Cash discount of 3 cents per gallon for 250 or more gallons if paid within 3 business days of delivery.
- 5.) No cash discount for out-of-route or after hour delivery.
- 6.) To avoid costly out of gas leak checks and delivery charges, help us help you save money...sign up for our Automatic Delivery Program.
  - Our office hours are Monday-Friday 7:30 am – 4:00 pm.
  - All empty tanks are subject to a \$25 leak check charge.

Thank you for choosing Energy Connections. We look forward to meeting your energy needs and your continued patronage.
