

83rd Eau Claire Energy Cooperative Annual Meeting

Cancelled

In March, the 2020 Annual Meeting was cancelled due to coronavirus concerns. The following factors contributed to this decision:

- Concern for the health and wellbeing of our membership, board and employees.
- The three director candidates up for election were unopposed .
- There were no bylaw changes or other new business to come before the membership.
- The Cooperative's 2019 annual report was published in the March magazine.
