As a former member of Eau Claire Energy Cooperative, you are receiving this allocation notice. The above allocations cannot be applied against any amount owed to the Cooperative.

Your share of the Cooperative's margins in a given year is called your allocation. That allocation is based on the amount of energy you paid for during your time as a member.

This is simply an allocation notice. No money (credit) is being distributed at this time. When the Board of Directors approves a retirement, it will return a specific percentage of your allocation to you. The retirement process occurs in October of each year.

Even though you no longer live on Eau Claire Energy Cooperative lines, please be sure to update your mailing address so you can receive any capital credits you may have accumulated. Please scan the QR code above, email memberservices@ecec.com, or call us at 715-832-1603 to update your mailing address. If the addressed party is deceased, please have an estate representative contact us to discuss the dispersal of capital credits.
