

### ELIGIBILITY CRITERIA

- ❖ You must be a member of ECEC and the in-home evaluation and improvements must be performed at an active account of the Cooperative.
- ❖ The evaluation must be done by a qualified consultant. A list of local consultants can be found on the back of this form.
- ❖ Incentives are in place through December 31, 2024, **or until funds are depleted**. Program is subject to change or cancellation without notice, so members are encouraged to submit incentive request as soon as possible.

#### Step 1: EVALUATION INCENTIVE

- **The incentive is for up to \$100.00**, with the incentive not to exceed the cost of the evaluation. Only one incentive in any 5-year period.
- The evaluation must be completed between January 1, 2024 and December 31, 2024.
- **Submit the documentation listed below no later than 3 months after the evaluation, or by December 31, 2024, whichever date comes first. Incentive requests made in 2025 for Evaluations done in 2024, may be eligible for an incentive, if incentive available at that time.**
  - ✓ This Incentive form (**Incentive forms that are not fully completed will not be processed**)
  - ✓ A copy of a paid receipt from a qualified consultant

#### Step 2: IMPLEMENTATION INCENTIVE

- **Incentive is for up to \$500.00** and cannot exceed the cost of the improvements when combined with other ECEC incentives the project may receive. Only one incentive in any 5-year period.
- Incentives only pertain to weatherization related improvements.
- Improvements must be made within 24 months of the in-home evaluation date to qualify for an Implementation incentive.
- **Submit the documentation listed below no later than 3 months after the improvements have been made, or by December 31, 2024, whichever date comes first. Incentive requests for improvements made in 2024, but not submitted until 2025, may be eligible for an incentive, if incentive available at that time.**
  - ✓ This Incentive form front and back (**Incentive forms that are not fully completed will not be processed**)
  - ✓ Verification of follow-up testing of the home after improvements have been implemented.
  - ✓ A copy of the invoice for improvements made or materials used.

**Submit required documentation to: Eau Claire Energy Cooperative PO Box 368 Fall Creek, WI 54742-0368**
