BYLAWS
OF
EAU CLAIRE ENERGY COOPERATIVE

December 2, 2020

ARTICLE I - MEMBERSHIP

Section 1. Requirements for Membership.

A. Any person, firm, association, corporation or body politic or subdivision thereof will become a member of Eau Claire Energy Cooperative (hereinafter called the "Cooperative") upon:

- 1) having applied for membership in the Cooperative; and
- 2) having agreed to purchase electric energy, fuel, goods, or services from the Cooperative as hereafter specified; and
- 3) having agreed to comply with and be bound by the Articles of Incorporation and Bylaws of the Cooperative and any rules and regulations of the Board; and
- 4) having received electric service, fuel, goods or services from the Cooperative.

Section 2. Conditions of Membership.

A. Any person who requests service from the Cooperative subject to the conditions applicable to all patrons of the same class of service, upon receipt of such service, shall be deemed a member with the same rights and privileges as each other member of such class. No member may hold more than one membership in the Cooperative, and no membership in the Cooperative shall be transferable, except as provided in these Bylaws. Two or more persons may hold a membership as joint members in accordance with the terms of their application, these Bylaws, and any rules of the Board of Directors applicable thereto. Each member shall pay all amounts owed by the member to the Cooperative when the same becomes due and payable. A membership will terminate whenever the member has made no purchases from the Cooperative for one year or as otherwise provided in these Bylaws. Membership in the Cooperative shall be evidenced by the records of the Cooperative.

Section 3. Definitions.

- A. Member - a person or entity who has met the qualifications for membership established in these bylaws.
- B. Membership - the status and bundle of rights which pertain to being a member, including the organizational powers contained in Articles I, II, III, IV and XIII, and the property rights set forth in Article I, Section 9.
- C. Joint Member - a natural person who, with one or more other natural persons, is a party to a joint membership.
- D. Joint Membership - a membership in the name of two (2) or more natural persons, subject to the provisions in Article I, Section 3. All joint memberships shall be held in joint tenancy.
- E. Joint Tenancy – a method of owning property wherein each of two (2) or more joint tenants has an equal interest in the whole property for the duration of the tenancy, irrespective of unequal contributions at its creation. On the death of one (1) of two (2) joint tenants, the survivor becomes the sole owner; on the death of one (1) of three (3) or more joint tenants, the survivors are joint tenants of the entire interest.
- F. Patron – A person or entity who has purchased or purchases electric energy, fuel, goods, or services from the Cooperative. All members are or have been patrons of the Cooperative, but, within limits set by the Board or by law, the Cooperative may serve one (1) or more patrons who is not a member.

Section 4. Joint Membership.

- A. Any application for membership in the Cooperative received after January 1, 1986, from any person who is married shall be deemed and become an application for membership by married persons as joint members unless the person making such application otherwise designates in writing.
- B. The membership of any person who on January 1, 1986, was married, or who thereafter while a member became married, shall be deemed to have become, and did become at such time, a joint membership of those married persons without further action by such member, unless the Cooperative was notified otherwise in writing by January 30, 1986.
- C. The term "member" as used in these Bylaws shall be deemed to include all parties to a joint membership and any provisions relating to the rights and liabilities of membership, including, without limitation, the following:

- 1) the presence at a meeting of any or all shall be regarded as the presence of one member and shall constitute a waiver of notice of the meeting on behalf of the joint membership;
 - 2) a joint membership may cast only one (1) collective vote on each issue or for each elective position;
 - 3) a waiver of notice signed by any joint member of a joint membership shall constitute the waiver of the entire joint membership;
 - 4) notice to any joint member shall constitute notice to the entire joint membership;
 - 5) withdrawal or expulsion of any joint member of a joint membership shall terminate that joint member's interest in the joint membership, which shall then be converted to a sole membership if only one (1) joint member to the former joint membership remains;
 - 6) one (1), but not more than one (1), joint member of a joint membership may be elected or appointed as an Officer or Director.
- D. The records of the Cooperative shall properly show all joint memberships in the names of the joint members provided the Cooperative has been furnished with those names in writing.
- E. Upon the death of a person who is a joint member, the affected membership shall be held by the surviving joint member or joint members to that membership as a sole or joint membership and the records of the Cooperative shall be adjusted to reflect that change. However, the personal representatives, successors and assignees of the deceased joint member shall not be released from any debts due to the Cooperative.

Section 5. Conversion To, From or Within Joint Membership.

- A. Under policies adopted by the Board, a membership may be converted to a joint membership, or an additional joint member may be admitted to a membership, upon the written request and agreement by all proposed joint members to comply with the Articles of Incorporation, Bylaws, and rules and regulations adopted by the Board, provided all such proposed joint members qualify for membership in the Cooperative at the same premises. By a written instrument signed by a joint member and filed with the Cooperative, a person may withdraw from a joint membership, which shall then be converted to a membership vested solely in the remaining joint member or joint members; provided, however, that the withdrawing joint member shall not be released from any debts due to the Cooperative.

Section 6. Transfer of Membership.

- A. Upon written application to the Cooperative, and under policies adopted by the Board, a membership may be transferred only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative.

Section 7. Purchase of Electric Energy.

- A. Each applicant for membership who requests electric service shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy purchased for use on the premises specified in the application for membership and on all other premises owned by the member within the Cooperative's service area, and shall pay therefore at current applicable rates which shall be fixed by the Board. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities which shall be interconnected with the Cooperative facilities, shall be subject to appropriate safety and other regulations as required by the Cooperative. Regardless of the amount of electric energy consumed, each member shall pay to the Cooperative such current applicable minimum amount as shall be fixed by the Cooperative.

Section 8. Member Furnished Capital.

- A. It is expressly understood that amounts paid for electric energy, fuel, goods, or services in excess of the cost of providing said electric energy, fuel, goods or services are furnished by members as capital and each member shall be credited with the capital so furnished as provided by these Bylaws.

Section 9. Termination of Membership.

- A. Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board may prescribe. Subject to any regulations imposed by lawful authority, the Board may, by the affirmative vote of not less than two-thirds (2/3) of all members of the Board expel any member who fails to comply with any of the provisions of the Articles of Incorporation, Bylaws, or reasonable rules or regulations adopted by the Board, but only if such member shall have been given written notice by the Cooperative that such failure makes the member liable to expulsion and such failure shall have continued for at least ten (10) days after such notice was given. Any expelled, terminated, or cancelled member may be reinstated by vote of the Board or by vote of the members at any annual or special meeting.

- B. Upon the withdrawal, death, cessation of existence, or expulsion of a member, the membership of such member shall thereupon terminate. Termination of membership in any manner shall not release the member or

the member's successors, personal representatives, or assigns from any debts due to the Cooperative.

- C. Legal separation or divorce of holders of a joint membership shall automatically convert to a sole membership by the former joint member who continues to occupy or use any premises covered by such membership, after the date such judgment of divorce or legal separation is entered unless the court determines otherwise. This provision shall not affect the ownership of any rights acquired or funds held by the Cooperative in the names of the joint members prior to said date. Neither joint member shall be released from debts due to the Cooperative arising from the joint membership.

Section 10. Non-Liability for Debts of the Cooperative.

- A. The private property of members of the Cooperative shall be exempt from execution for the debts of the Cooperative and no member shall be liable or responsible for any debts or liabilities of the Cooperative.

Section 11. Property Interest of Members.

- A. The property interest in the Cooperative of members, former members, patrons, and former patrons shall be those interests set forth in this section and in Article VII of these Bylaws. Except as addressed or modified by specific provisions, the form of ownership of any such interest shall be determined according to the general rules for membership, transfer of membership, and succession of membership in this Article.
- B. Upon dissolution of the Cooperative and after:
- 1) all debts and liabilities of the Cooperative shall have been paid; and
 - 2) except as otherwise provided in these Bylaws, after all capital furnished through patronage shall have been retired as provided in the Bylaws, the remaining property and assets of the Cooperative shall be distributed among the members and former members to whom said capital was retired upon dissolution in proportion to the distribution of capital credits.

Section 12. Electronic Records.

- A. All applications for membership, applications for service of any kind, and other enumerated communications with the Cooperative by members or potential members may be made in such electronic format as the Cooperative shall specify.

Section 13. Grant of Property Rights.

- A. As required by the Cooperative for a Cooperative purpose, a member shall;

- 1) provide the Cooperative safe and reliable access to or use of member property; and
- 2) pursuant to terms and conditions specified by the Cooperative, and without compensation from the Cooperative, grant or convey to the Cooperative a written easement for the construction, operation, maintenance, and reconstruction of its equipment and facilities.

B. Cooperative purpose includes, at any time:

- 1) purchasing, installing, constructing, inspecting, monitoring, operating, repairing, maintaining, removing, relocating, upgrading, or replacing Cooperative equipment or member equipment connected to Cooperative equipment;
- 2) providing a Cooperative service to a member or one (1) or more other members;
- 3) monitoring, measuring, or maintaining a Cooperative service provided to a member or one (1) or more other members;
- 4) providing electric energy to a person or one (1) or more other persons;
- 5) monitoring, measuring, or maintaining electric energy provided to a person or one (1) or more other persons;
- 6) authorizing, permitting, satisfying, or facilitating an obligation incurred, or right granted, by the Cooperative regarding use of Cooperative equipment; or
- 7) safely, reliably, and efficiently operating the Cooperative or providing a Cooperative service.

Section 14. Safe and Protected Operation of Cooperative.

- A. No member shall fail to take or omit an act required by the Cooperative pursuant to any applicable statute, regulation, or code to safely, reliably, and efficiently operate the Cooperative's equipment on any property owned or operated by the member.

Section 15. Non-Member Patrons and Non-Member Non-Patrons.

- A. As a condition of using a cooperative service, and except as otherwise provided by the board:

- 1) To the same extent as a member, a patron who is not a member (A non-member patron) and a person using a Cooperative service who is not a member or patron (A non-member non-patron) must abide by and be bound to the duties, obligations, liabilities, and responsibilities imposed by the governing documents upon members;
- 2) A non-member patron or non-member former patron has none of the rights granted by the governing documents to members, other than the rights to: (A) be allocated capital credits; and (B) be paid retired capital credits; and (3) A non-member non-patron has none of the rights granted by the governing documents to members.

Section 16. Arbitration

A. If a controversy or claim arises out of, or relates to, the Governing Documents, the Cooperative's Provision of a Cooperative Service, the Cooperative's exercise of its rights under these bylaws or the terms of membership, or a Member's Use of a Cooperative Service, the parties shall first try to settle the dispute through negotiation. If the dispute is not settled by negotiation, and if requested by the Cooperative or the Member, then the Cooperative and the Member shall try in good faith to settle the dispute by mediation conducted by a neutral third person, acceptable to both parties. The mediator shall have no power to impose a decision if all of the parties do not agree to settle the dispute, but shall help the parties reach an agreement by focusing on the key issues in a case, exchanging information between the parties and exploring options for settlement. If the dispute is not settled after mediation, the controversy or claim shall be resolved by arbitration administered pursuant to Chapter 788, Wisconsin Statutes and the judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Controversies and claims must be settled through individual arbitration, and not through collective or class action arbitration. This section does not apply to matters which qualify for the jurisdiction of small claims court (Chapter 799, Wisconsin Statutes).

ARTICLE II - SERVICE PRINCIPLES

Section 1. Area Coverage.

With respect to electric service the Cooperative holds itself out to serve and shall make diligent efforts to extend and render adequate and dependable electric service to all persons within the Cooperative service area, regardless of the size or nature of their service requirements, who (a) desire such service and (b) meet all requirements established by the Cooperative as a condition of service. However, the Cooperative cannot, and therefore does not, guarantee a continuous and uninterrupted supply of electricity.

Section 2. Service Area Maps.

The Cooperative shall maintain area coverage service maps designating the Cooperative's electric service area.

Section 3. Extension and Service Rules.

Extension and service rules of the Cooperative promulgated by the Board for electric service shall be of general and uniform application and shall provide for service without discrimination to all patrons or members within the same classification of service.

Section 4. Service to Non-Member Patrons.

In the event the Cooperative shall acquire all or any portion of the property of any public utility, former consumers of such public utility served through the property acquired shall become members of the Cooperative. The Cooperative may continue to render electric service to such consumer as a patron of the Cooperative.

Section 5. Assumption of Public Utility Obligations.

Within the corporate limits of any city or village in which the Cooperative may acquire the property of any public utility, the Board may, by rule or by agreement with the governing Board of such municipality, cause or permit the Cooperative to become subject to all or part of the regulatory rules and jurisdiction of the Public Service Commission of Wisconsin, or other regulatory agency provided by law, provided that this shall not affect the status of the Cooperative in the balance of its service area nor require approval of its securities issued to the United States of America, to any financing institution organized by rural electric cooperatives, or approved by the Administrator of the Rural Utilities Services, or any other lender.

ARTICLE III - MEETINGS OF MEMBERS

Section 1. Member Meetings; Annual Meeting.

All meetings of the members of the Cooperative, including an Annual Meeting of the members, shall be held, at such time and place as the Board of Directors of the Cooperative shall determine, which time and place shall be specified in the notice given with respect to such meeting, for the purpose of electing Directors, and transacting such other business as may properly come before the meeting. It shall be the responsibility of the Board of Directors to make adequate plans and preparations for the annual meeting, as well as policies and regulations for the orderly conduct of the meeting. In the event of inclement weather, emergency, major disaster, or pandemic, which impairs the ability of the Cooperative to hold any member meeting as described in these Bylaws, the Board of Directors may adopt alternative electronic or

virtual means of member communication and input to best substitute for such meeting, and may declare such action a regular, special, or annual meeting. Failure to hold the annual meeting as described herein shall not work a forfeiture or dissolution of the Cooperative.

Section 2. Special Meetings.

Special meetings of the members may be called by the Chairman of the Board of Directors, by resolution of the Board of Directors or by written call signed by twenty percent (20%) or more of all of the members, and it shall thereupon be the duty of the Secretary of the Cooperative to cause notice of such meeting to be given as hereinafter provided. The purposes for which the special meeting is called shall be clearly stated in the call, and no business not encompassed in the call may be taken up at said special meeting.

Section 3. Notice of Members' Meetings.

Written or printed notice stating the place, day and hour, and in the case of a special member meeting the purposes for which the meeting is called, shall be delivered not less than seven (7) days nor more than thirty (30) days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon default in duty by the Secretary, by the persons calling the meeting, to each member. If mailed, the notice is given when it is deposited, or a newsletter or other publication of the Cooperative or of an affiliated organization which includes the notice, is deposited, in the United States mail, with postage prepaid thereon, addressed to each member at the member's address as it appears on the records of the Cooperative. Any member may notify the Cooperative that the member desires to receive such notices electronically to the internet address the member furnishes to the Cooperative rather than in written or published form; any such notice sent to the member electronically shall be deemed to have been delivered when transmitted. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting. Notice addressed, mailed or delivered to one joint member constitutes notice to all other persons sharing that joint membership.

Section 4. Quorum.

A. If a member meeting is held at a physical location, the number of members to constitute a quorum at a meeting of members shall be fifty (50). In case of a joint membership, the presence at a meeting by any member of the joint membership shall be regarded as the presence of one member. Only members who are physically present may be counted to determine whether a quorum is present. If less than a quorum is present at any meeting, a majority of those present shall adjourn the meeting. A new notice shall be delivered to each member specifying the future time and place of the adjourned meeting.

B. If a member meeting is held by electronic or virtual means, the quorum shall be met if fifty (50) or more members have the ability to receive communications from the Cooperative and the ability to communicate to the Cooperative in real time.

Section 5. Voting.

Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members. At all meetings of the members at which a quorum is established, all questions shall be decided by a vote of a majority of the members voting thereon at such meeting except as otherwise provided by law, the Articles of Incorporation of the Cooperative or these Bylaws. Two or more persons holding a joint membership shall jointly be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members. Any member which is a cooperative, corporation, limited liability company, unincorporated cooperative association, nonprofit association, religious society, fraternal society, or governmental entity may, acting through its governing body, designate in writing its representative to act for it at membership meetings. Such written designation shall be filed with the Secretary before such representative votes at any such meeting, except that the President or other presiding officer of any such organization may cast its vote at such meeting if no such written designation for any other representative is so filed. Only one general partner may cast the vote of a partnership, limited partnership, or limited liability partnership, and only one member may cast the vote of a limited liability company. A guardian or legal representative of any member may vote on behalf of such member. A vote cast in a representative capacity shall not take the place of a person's vote as a member. A member may also vote in a manner consistent with Article III, Section 7 of these bylaws. Voting by proxy shall not be allowed.

Section 6. Order of Business.

The order of business at the annual meeting of the members and, so far as possible, at all other meetings of the members, shall be essentially as follows, except as otherwise determined by the members at such meeting:

- A. report on publication, delivery or mailing of the notice of the meeting and on the number of members present in person or by other acceptable means in order to determine the existence of a quorum;

- B. reading or reporting on the publication of unapproved minutes of previous meetings of the members and the taking of necessary action thereon;

C. presentation of oral or written reports of officers, trustees and committees not previously distributed.

Section 7. Member Voting by Mail or Electronic Ballot

Except as restricted in Article VIII, Section 1 of these Bylaws, a member may vote by electronic means or by mail in director elections and on matters properly brought before the membership only as provided in this Bylaw and in a manner determined by the Board. Voting by electronic means or by mail may be permitted in lieu of holding a member meeting or in conjunction with a member meeting.

A. Mail and Electronic Ballots Without Member Meeting. If the Board so provides, a member may vote by mail or by electronic means without a member meeting if the Cooperative delivers a mail or electronic ballot to each member entitled to vote on the matter. A proposed action is approved if:

- 1) the number of completed mail and electronic ballots timely received by the Cooperative equals or exceeds the member quorum; and
- 2) the number of votes favoring the proposed action equals or exceeds the number of votes required to approve the action at a member meeting, as set forth in Section 5 of this Article.

B. Mail and Electronic Ballot With Member Meeting. Except as restricted in Article VIII, Section 1 of these Bylaws, a member may vote or act by mail or electronic ballot on any action that may be taken at the member meeting if the Board so provides. The Board shall determine whether the Cooperative shall deliver a mail or electronic ballot to each member entitled to vote on the matter or if mail or electronic ballots will be delivered only to those members who request them in writing or electronically. A member who returns a mail or electronic ballot may not vote at the member meeting regarding any question on the mail or electronic ballot. The Cooperative must count as a member's vote, a properly submitted mail or electronic ballot received on, or before, the time and date stated in the instructions accompanying such ballot.

C. Mail or Electronic Ballot. A Mail or Electronic Ballot for member voting must:

- 1) set forth and describe a proposed action, identify a candidate, and include the language of a motion, resolution, Bylaw Amendment, or other written statement, upon which a member is asked to vote or act;

- 2) state the date of a member meeting at which members are scheduled to vote or act on the matter if any;
- 3) provide an opportunity to vote for or against, or to abstain from voting on, the matter;
- 4) instruct the member how to complete and return the Mail or Electronic Ballot;
- 5) state the time and date by which the Cooperative must receive the completed Mail or Electronic Ballot; and
- 6) be contained in a sealed Ballot envelope provided by the Cooperative, which shall be signed by the person casting the Ballot and shall bear the voter's legible printed name or be transmitted electronically by a secure means provided by the Cooperative by which the Cooperative is able to authenticate that it is a member casting a vote

D. Except as otherwise provided by the Board, a member may not revoke a completed Mail or Electronic Ballot received by the Cooperative. A member's failure to receive a Mail or Electronic Ballot does not affect a vote or action taken by Mail or Electronic Ballot.

E. Material soliciting approval of a matter by Mail or Electronic Ballot must:

- 1) contain, or be accompanied by, a copy of summary of the matter;
- 2) state the member quorum required to vote on the matter;
- 3) for all matters other than the election of Directors, state the percentage of approvals necessary to approve the matter;
- 4) state the time and date by which the Cooperative must receive a completed Mail or Electronic Ballot; and
- 5) be mailed or transmitted electronically to all members eligible to vote at a meeting of the members.

Section 8. Procedure.

Except as modified herein, Roberts Rules of Order Newly Revised, 10th Edition, 2000, Perseus Publishing, or any more recent version of said publication, shall govern all procedural questions at meetings of the members, the Board of Directors, and all committees and task forces of the Cooperative.

ARTICLE IV - DIRECTORS

Section 1. General Powers.

A. All powers of the Cooperative shall be exercised by or under authority of, and the business and affairs of the Cooperative shall be managed under the direction of, the Board of Directors, except as otherwise provided by law, the Articles of Incorporation, or these Bylaws.

B. Without limitation, the powers of the Board of Directors shall include the determination and fixing of classifications of service, rates to be charged by the Cooperative for services furnished according to established classification, the promulgation and enforcement of rules and regulations governing service to members or patrons, and the selection, nomination, replacement or removal of Directors, Delegates or other Representatives of the Cooperative to organizations of which the Cooperative may be a member.

Section 2. Tenure and Qualifications.

A. Tenure. Directors shall be elected for three year terms on a staggered basis so that no more than three of such terms shall expire at the Directors' organizational meeting following each annual meeting. The term for Districts 3, 7, and 9 shall expire one year, Districts 1, 5, and 8 the next year, and Districts 2, 4, and 6 the third year. Each Director shall serve, subject to paragraph E., below, until a successor is elected or appointed, qualified, and seated at said organizational meeting.

B. Qualifications. No person shall be eligible to become or remain a Director of the Cooperative, unless he or she:

- 1) is a natural person who is, and has been for three years immediately prior to nomination, a member of the Cooperative; or who is a natural person officially designated by a member which is not a natural person, except that at no time may such a member have more than one designee;
- 2) is in compliance with the Cooperative's Articles of Incorporation and Bylaws;
- 3) is a bona fide resident of the Director district for which the nominee is nominated or from which the Director was elected;
- 4) is receiving electric service from the Cooperative at the member's place of residence;

- 5) is not in any way employed by or materially financially interested in a competing enterprise or a business selling energy or supplies to the Cooperative; or
- 6) is not employed by, and is not the spouse, parent or child of an employee of, any person, corporation or governmental agency which holds any security issued by the Cooperative;
- 7) has the capacity to enter into legally binding contracts;
- 8) has not been convicted of any felony, or of any offense, however denominated, involving a breach of trust or the unlawful taking or retention of any property of another;
- 9) has complied with all other qualifications for Director established by the members or by the Board;
- 10) while a Director, has complied with policies of the Cooperative adopted by the Board;
- 11) has not been an employee of the Cooperative within five (5) years of the date of his or her election, or the spouse of such person.

C. Director Nomination as Representative of a Corporation:

- 1) when a membership is held jointly, one of the joint tenants, but not more than one, may be elected a Director, provided the candidate shall meet the qualifications set forth in paragraph B. above;
- 2) when a membership is held by a partnership, one, but not more than one, of the partners designated in writing by the partnership may be elected a Director, provided the candidate shall meet the qualifications set forth in paragraph B. above;
- 3) when a membership is held by a corporation, one, but not more than one, of the officers thereof designated in writing by the corporation may be elected a Director, provided the candidate shall meet the qualifications set forth in paragraph B. above.

D. Any member serving as a Director or holding any position of trust in the Cooperative shall be bound by the Cooperative's ethics policy.

E. Disqualification.

- 1) Any Director, Officer or 25 or more members, may by written and signed instrument delivered to the Chair or Secretary of the Board question the qualifications of any person (the person accused) to serve or to continue to serve as a Director (hereinafter referred to as “the charges”). Such instrument shall state with particularity the factual basis of the charges.
- 2) Promptly upon receipt of charges that, if true, would render the person charged ineligible to act or to continue to act as a Director, the Chair (or a Vice-Chair if the Chair is absent or is the subject of the charges) shall notify the person accused that charges have been filed together with a written statement detailing the allegations and shall appoint a committee of three Directors to conduct an investigation of the charges. The person accused shall have ten (10) days within which to respond in writing to the charges. In conducting its investigation, the committee shall review such documents and hear such testimony as it determines is necessary for it to make a determination as to whether there is probable cause to believe that the allegations are true and, if true, if they create a disqualification for serving as a Director. It shall be the obligation of the person(s) making the charges to come forward with such information as is in the possession of such person(s) that support the charges, and the person accused may come forward with such information as may refute the charges. The committee may make such inferences as it determines are justified by the failure of any person to come forward with evidence that supports or refutes a charge of disqualification.
- 3) If the committee determines that there is not probable cause to believe that the charges of disqualification are true, the charges shall be dismissed and no further proceedings shall be conducted. If, however, the committee shall determine that there is probable cause to believe that the charges are true, the committee shall refer the matter to the entire Board (except the person accused) for further proceedings
- 4) Upon receipt of the committee’s findings, The Chair shall provide a copy thereof to all members of the Board and the person accused. The Board shall meet in regular or special session within 15 days after receiving the committee’s findings of probable cause to appoint a person to prosecute the charges and to establish a date for hearing the charges. At such hearing, the chair shall preside over the proceedings and shall rule on evidence presented, subject to being overridden by vote of the Board. The Board shall consider all argument and competent and relevant

evidence presented by the prosecutor and by the person accused, or his or her attorney.

5) The Board shall render its decision in writing within seven (7) days after its meeting. A finding of disqualification can only be made by vote of two-thirds of the Board Members who attended the hearing. The Board's decision shall be final for all purposes. If the decision is that the candidate is not disqualified from standing for election or serving as Director, the person shall be voted upon at the annual meeting of members or shall continue to serve as a member of the Board as if no charges had been filed. If the decision is that the candidate is disqualified, the person's name shall not be submitted for election to the members and a new nominee shall be made by the nominating committee established as provided in Article IV, Section 3. If the person is an incumbent Director he or she shall be deemed removed as a Director as of the date that the Board shall vote on the issue.

Section 3. Nominations.

It shall be the duty of the Board of Directors to appoint a nominating committee at least 150 days before the next annual meeting of the members. The nominating committee shall strive to nominate not fewer than two nominees for each director position to be filled at the next annual meeting of the members. The nominating committee shall be composed of one member from each of the districts from which a director is to be elected at the next annual meeting and shall be appointed by Board resolution. No member of the Nominating Committee may be nominated as a candidate. Separate nominations shall be made for each vacancy on the Board. The Secretary shall prepare and post a list of nominations for Directors at the principal office of the Cooperative not fewer than 60 days prior to the next annual meeting. A. At each annual meeting of the Cooperative, the Secretary of the Cooperative shall place in nomination the names of the official candidates of each district. Election of Directors shall be by printed or mechanically reproduced official ballot delivered by the Cooperative to a member who chooses to vote by mail or in person at the annual meeting. A member who chooses to vote by electronic means shall request and receive an official electronic ballot. Procedures for using mail or electronic ballots shall comply with Article III, Section 7 of these bylaws. The ballots shall list the candidates

nominated by the nominating committee or by petition arranged by district. Within each district, ballot order shall be determined by lot and incumbents shall be identified as such. Each member of the Cooperative present at the meeting shall be entitled to vote for one candidate from each district from which a Director is to be elected. The candidate from each district receiving the highest number of votes at the meeting shall be declared elected.

B. However, in any annual meeting when there is only one candidate for a director position, after no more nominations can be made pursuant to Article IV, Section 5, of these bylaws election can occur at the annual meeting for that year by acclamation, or, if the annual meeting was held by electronic means, at the meeting of the Directors next following the annual meeting by majority vote of the Directors.

C. Notwithstanding anything in this section, failure to comply with any of the provisions of this section shall not affect, in any manner whatsoever, the validity of any election of directors.

If authorized by the Board, the Directors may be granted a reasonable per diem allowance in lieu of detailed accounting for some of these expenses, or may be advanced funds therefore. No Director shall receive compensation for serving the Cooperative in any other capacity, nor shall any close relative of a Board member receive compensation for serving the Cooperative, unless, after full disclosure, the payment and amount of compensation shall be specifically authorized by a vote of the Board, the affected Director not voting, or the service by the Board member or Director's close relative shall have been certified by the Board as an emergency measure. Upon receipt of such petition it shall be the duty of the Chair or the Board of Directors to call a special meeting of the members to hear the same. Such Director shall be informed in writing of the charges at least ten days prior to the meeting of the members at

which the charges are to be considered and shall have an opportunity at the meeting to be heard in person or by counsel and to present evidence in respect of the charges; and the person or persons bringing the charges against the Director shall have the same opportunity. The question of the removal of such Director shall be considered and voted upon at the meeting of the members.

Cooperative. The offices of Secretary and Treasurer may be held by the same person.

Section 2. Election.

Section 3. Removal of Officers and Agents by the Board of Directors.

Any officer, employee or agent elected or appointed by the Board of Directors may be removed by the Board of Directors whenever in its judgment the best interests of the Cooperative will be served thereby.

C. The President shall perform all duties incident to the office and such other duties as may be prescribed by the Board

Section 5. Vice President.

In the absence of the President, or in the event of the President's inability or refusal to act, the Vice President, or, if there be more than one Vice President, then the Vice President who is available and highest on the list of succession maintained by the Board, shall perform the duties of the President, and when so acting shall have all the powers of and be subject to all the restrictions upon the President. The Vice President shall also perform such other duties as may be prescribed by the Board or President.

Section 6. Secretary.

The Secretary shall be responsible for:

A. keeping the minutes of the meetings of the members and of the Board in books provided for that purpose;

The Board in its discretion may also require any other officer, agent or employee of the Cooperative to be bonded in such amount and with such surety as it shall determine.

ARTICLE VII - NON-PROFIT OPERATION

Section 1. Nonprofit and Cooperative Operation.

The Cooperative: (1) shall operate on a nonprofit and cooperative basis for the mutual benefit of all members; and (2) may not pay interest or dividends on capital furnished by patrons.

Section 2. Allocating Capital Credits.

The Cooperative shall allocate capital credits as provided in this bylaw.

A. Allocating Earnings. For each cooperative service provided during a fiscal year, the Cooperative shall equitably allocate to each patron, in proportion to the quantity or value of the cooperative service used by the patron during the fiscal year, the Cooperative's operating earnings from providing the cooperative service during the fiscal year. Operating earnings means the amount by which the Cooperative's operating revenues from providing a cooperative service exceed the Cooperative's operating expenses of providing the cooperative service, all as determined under Federal tax law as applied to cooperatives and Generally Accepted Accounting Principles (GAAP).

B. For each fiscal year, the Cooperative's nonoperating earnings may, as determined by the board, be used, retained, or equitably allocated. Nonoperating earnings means the amount by which the Cooperative's nonoperating revenues during a fiscal year exceed the Cooperative's nonoperating expenses during the fiscal year, less any amount needed to offset an operating loss.

C. If the receipts from every class of business in any year exceed the costs and expenses allocable and chargeable thereto, then the excess of receipts over expenses for each class of business shall be allocable to each such class as capital credits and to patrons within each such class on a dollar patronage basis. If, however, the costs and expenses chargeable or allocable against any one or more classes of business exceed the receipts from all patrons within such class or classes of business, then such deficit shall be charged against the patronage margins otherwise assignable to any remaining class or classes of business, on a dollar volume patronage basis, so that in no year shall there be credited to patrons as patronage capital an amount greater than the excess of receipts from all patrons over the costs and expenses of doing business with all patrons.

D. Capital Credits. For each amount allocated to a patron, the patron shall contribute a corresponding amount to the Cooperative as capital. The Cooperative must credit all capital contributions from a patron to a

capital account for the patron. The Cooperative shall maintain books and records reflecting the capital contributed by each patron. At the time of receipt by the Cooperative, each capital contribution is treated as though the Cooperative paid the amount allocated to the patron in cash pursuant to a pre-existing legal obligation and the patron contributed the corresponding amount to the Cooperative as capital. The term capital credits mean the amounts allocated to a patron and contributed by the patron to the Cooperative as capital.

E. Consistent with this bylaw, the allocation of capital credits is in the discretion of the board and the board must determine the manner, method, and timing of allocating capital credits. The Cooperative may use or invest unretired capital credits as determined by the board.

F. Within a reasonable time after the end of each fiscal year, the Cooperative shall notify each patron in writing or electronically of the stated dollar amount of capital credits allocated to the patron for the preceding fiscal year.

G. Different and Separate Allocations. As reasonable and fair, the Cooperative may allocate capital credits to each class of similarly situated patrons under different manners, methods, and timing as are applied to other such classes, provided the Cooperative allocates capital credits to similarly situated patrons under the same manner, method, and timing. If the Cooperative is a member, patron, or owner of an entity from which the Cooperative uses a good or service in providing a cooperative service and from which the Cooperative is allocated a capital credit or similar amount, then, as determined by the board and consistent with this bylaw, the Cooperative may separately identify and allocate to the Cooperatives patrons this capital credit or similar amount allocated by the entity.

Section 3. Retiring Capital Credits, Reasonable Reserves.

The Cooperative may retire and pay capital credits allocated to patrons and former patrons as provided in this bylaw.

A. General Capital Credit Retirements. At any time before the Cooperatives dissolution, liquidation, or other cessation of existence, the Cooperative may generally retire and pay some or all capital credits allocated to patrons and former patrons.

B. Capital Credit Recoupment and Offset. Regardless of a statute of limitation or other time limitation, after retiring capital credits allocated to a patron or former patron, the Cooperative may recoup, offset, or setoff an amount owed to the Cooperative by the patron or former patron, including

any compounded interest and late payment fee, by reducing the amount of retired capital credits paid to the patron or former patron by the amount owed to the Cooperative.

C. Capital Credit Retirement Discretion. The Cooperative may retire and pay capital credits only if the board determines that the retirement and payment will not adversely impact the Cooperative's financial condition. Consistent with this bylaw, the retirement and payment of capital credits are in the sole discretion of the board and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying capital credits may be determined only by the board.

D. Different and Separate Capital Credit Retirements. As reasonable and fair, the Cooperative may retire and pay capital credits to classes of similarly situated patrons and former patrons under different manners, methods, and timing, provided the Cooperative retires and pays capital credits to similarly situated patrons and former patrons under the same manner, method, and timing. If the Cooperative separately identified and allocated capital credits representing capital credits or similar amounts allocated to the Cooperative by an entity in which the Cooperative is or was a member, patron, or owner, then the Cooperative may retire and pay these capital credits before or after the entity retires and pays the capital credits or similar amounts to the Cooperative.

E. Reasonable Reserves. Regardless of a contrary bylaw, and to meet the Cooperative's reasonable needs, the Cooperative may accumulate and retain amounts exceeding those needed to meet current losses and expenses (reasonable reserves). The Cooperative must keep records necessary to determine, at any time, each patrons rights and interest in reasonable reserves.

F. Each patron and former patron agrees that: (1) Capital credits are not securities under state or federal Law; (2) The patrons right to capital credits vests, accrues, becomes redeemable, and becomes payable only upon the Cooperative retiring the capital credits as provided in these bylaws, and not upon the Cooperative allocating the capital credits; and (3) If required by law, each patron will: (A) report to the appropriate entity all allocated or retired capital credits; and (B) pay the appropriate entity any tax or similar amount on allocated or retired capital credits.

Section 4. Retirement of Patronage Capital.

A. In the event of dissolution or liquidation of the Cooperative, and after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro-rata

basis before any payments are made on account of property rights of members.

B. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial conditions of the Cooperative shall not be impaired thereby, the capital then credited to patrons accounts may be retired in full or in part. Whenever a patron's total capital account is less than \$50.00, it may be retired at any time. All other retirements of capital shall be made in order of priority according to the year in which the capital was furnished and credited, the capital first received by the Cooperative being first retired, unless the Board of Directors, acting under policies of general application within each of the Cooperative's classes of business and patronage, shall determine otherwise.

Section 5. Assignment of Patronage Capital.

Except as provided in Sections 8 and 9 hereof, capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Section 6. Special Capital Credit Retirements

A. Provided that the financial condition of the Cooperative will not be impaired thereby, the capital credits of a qualified patron may be specially retired prior to the time such capital credits would otherwise be retired under the provisions of these bylaws, upon such terms and conditions as established by the Board of Directors, acting under policies of general application.

B. The Cooperative may specially retire and pay some or all Capital Credits allocated to an individual Patron or former Patron: (1) after the death of the individual; (2) after receiving a written or Electronic request from the deceased individual's legal representative or successor; and (3) according to the terms and conditions agreed upon by the Cooperative and the deceased individual's legal representative or successor.

C. The Cooperative may specially retire and pay some or all Capital Credits allocated to an Entity Patron or former Entity Patron: (1) during or after the Entity's dissolution, liquidation, or other cessation of existence; (2) after receiving a written or Electronic request from the Entity or the Entity's legal representative or successor; and (3) according to the terms and conditions agreed upon by the Cooperative and the Entity or the Entity's legal representative or successor.

D. The Cooperative may specially retire and pay some or all Capital Credits allocated to an inter vivos trust or its beneficiaries (1) after the death of a person who was both a grantor (settlor) of said trust and a beneficiary of said trust which owned the premises which received service from the Cooperative under a membership issued either in the name of said trust or in the name of the deceased person; (2) after receiving a written or Electronic request from the deceased individual's legal representative or the successor trustee of the trust; and (3) according to the terms and conditions agreed upon by the Cooperative and the deceased individual's legal representative or the successor trustee of the trust.

Section 7. Security Interest in Patronage Capital.

The Cooperative shall have a continuing security interest in the patronage capital allocated and credited to any patron for any indebtedness due and owing from such patron to the Cooperative. The patron shall execute such documents as the Cooperative may request to create and perfect this security interest. The rights of the Cooperative under the security interest hereby granted may be exercised in the event of the default in payment by the patron of the patron's obligations, or in the event of the bankruptcy of the patron, and such indebtedness of the patron shall be subtracted from the capital allocated and credited to the patron in any retirement thereof to said patron or the patron's successors, personal representatives, or assigns.

Section 8. Assignment to Federated Youth Foundation, Inc.

Any patron may assign all or any portion of the patronage capital now or hereafter expected to be credited to that patron pursuant to this Article VII to Federated Youth Foundation, Inc., a charitable tax exempt trust, effective as of the date of assignment subject to the Cooperative's prior lien for unpaid charges under Section 6 of this Article.

Section 9. Forfeiture of Unclaimed Funds.

A. The Cooperative shall effect the forfeiture of all unclaimed funds, including all forms of distributions or capital credits, membership fees, deposits, and dividends, and shall do the following in connection therewith:

- 1) no earlier than three years and no later than five years after the funds are first made available to the owners, the Board shall declare the funds forfeited to the Cooperative unless claimed by a specified date;
- 2) after the declaration of forfeiture, the Cooperative shall give notice that states that the funds shall be forfeited if not claimed by the specified date, which date shall be a business day at least 60 days after the mailing of the notice;

3) the notice under paragraph (2) shall be mailed to the last known address of each owner and shall be published on or before the date of mailing in a newspaper published in a municipality contained within the service area of the Cooperative;

4) the Cooperative shall dedicate any funds remaining unclaimed after the date specified in paragraph (2) to educational purposes, limited to providing scholarships or loans to students, or to charitable purposes, as the Board determines, within one year after the date the funds are declared forfeited under paragraph (1). Educational purposes shall not include political purposes as defined in Section 11.01(16), Wisconsin Statutes.

B. At any time subsequent to forfeiture under this Bylaw, the owner of forfeited funds may submit a claim to the Board and if the Board determines that the person owned the funds at the time of the forfeiture, it shall refund the funds to the person, without interest.

C. The Board may establish a reasonable reserve for payment of claims, which reserve shall be credited to patrons in accordance with the ratio which their patronage bears to total patronage. This reserve shall be reimbursed for claims charged thereto, out of funds subsequently declared forfeited.

Section 10. Subscriptions to Cooperative Information Publications

The Cooperative, through action of its Board of Directors, is authorized in the name of and on behalf of each member of the Cooperative, to subscribe to a publication, printed or electronic, containing information about national, state, and local matters concerning electric cooperatives and their members. The expense of such subscriptions for all members shall be charged to the aggregate of capital deposited by members under Section 3 of this Article in the same manner as are charged other appropriate expenses of the Cooperative.

Section 11. Contractual Obligations.

Patrons of the Cooperative acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions.

ARTICLE VIII - DISPOSITION OF PROPERTY

Section 1. Limitation.

The Cooperative may not sell, mortgage, lease or otherwise dispose of or encumber all or any substantial portion of its property unless such action is authorized at two meetings of the membership held at least 335 days apart. At each meeting, approval of such action must be by the affirmative vote of not less than three-fourths (3/4) of all of the members of the Cooperative. Notice of the proposed action must be set forth in the notice of the meeting.

Section 2. Exception for Authorized Borrowing.

Without authorization by the members, the Board of Directors shall have full power and authority to borrow money from the United States of America or any agency or instrumentality thereof, or from National Rural Utilities Cooperative Finance Corporation (hereinafter referred to as "C.F.C."), or other financing institution or bank, and in connection with such borrowing may authorize the execution and delivery of a mortgage or mortgages or a deed or deeds of trust upon, or the pledging or encumbering of any or all of the property, assets, rights, privileges, licenses, franchises and permits of the Cooperative, whether acquired or to be acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the Board of Directors shall determine, to secure any such indebtedness.

Section 3. Exception for Transactions with Cooperatives.

With the authorization of a majority of those members of the Cooperative present at a meeting of the members thereof, the Board of Directors may sell, lease or otherwise dispose of all or a substantial portion of its property to, or merge or consolidate with, another Cooperative or foreign corporation doing business in this state pursuant to the Act under which this Cooperative is incorporated. Notice of the proposed action must be set forth in the notice of the meeting of members authorizing such action.

ARTICLE IX - CORPORATE SEAL

The corporate seal of the Cooperative shall have inscribed thereon the name of the Cooperative and the words "Corporate Seal".

ARTICLE X - FINANCIAL TRANSACTIONS

Section 1. Contracts.

Except as otherwise provided in these Bylaws, the Board may authorize any officer or officers, agent or agents to enter into any contract or execute and deliver any instrument in the name and on behalf of the Cooperative, and such authority may be general or confined to specific instances.

Section 2. Checks, Drafts, Etc.

All checks, drafts or other orders for the payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Cooperative shall be signed or countersigned by such officers, agents, or employees of the Cooperative and in such manner as shall be determined by resolution of the Board.

Section 3. Deposits and Investments.

All funds, except petty cash of the Cooperative, shall be deposited or invested to the credit of the Cooperative in such financial institutions or securities as the Board may select. Nothing herein shall be deemed to prohibit the Board from extending loans to members for proper purposes in the interest of the Cooperative.

Section 4. Fiscal Year.

The fiscal year of the Cooperative shall begin on the first day of January of each year and shall end on the thirty-first day of December of the same year.

ARTICLE XI - MISCELLANEOUS

Waiver of Notice.

Any member or Director may waive in writing any notice of a meeting required to be given by these Bylaws. The attendance of a member or Director at any meeting shall constitute a waiver of notice of such meeting by such member or Director, except in case a member or Director shall attend a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

ARTICLE XII - INDEMNIFICATION OF OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS

Section 1. Circumstances Requiring Indemnification.

If an individual incurs expenses including attorney fees, costs, fines, forfeitures, money judgments or settlement payments as a result of being

made a party or being threatened to be made a party to any civil, criminal, administrative, investigative or other legal or equitable action, including a threatened, pending or completed action, because of the individual's service at any time as an officer, Director, employee or agent of this Cooperative or, at the request of this Cooperative, for another entity, the Cooperative shall indemnify the individual after the final resolution of the action, or all parts of the action which concern the individual, for actual and reasonable expenses incurred if any of the following applies:
