

**EAU CLAIRE ENERGY COOPERATIVE
RATE POLICY**

Policy Number: 800

Page: Page 1 of 1

Subject: Rate Schedule R – Three-Phase Service General

Effective: January 1, 2023

A. Availability

- i. Available under established rules and regulations for service to farms and commercial accounts. Determination of feasibility and availability shall be made by the Cooperative for each request for electric power supply to loads in the Cooperative’s service area.
- ii. Not available to loads where the member’s 15-minute measured demands are greater than 50 kW for at least 4 of 12 months or where the demand exceeds 75 kW in any month.

B. Type of Service

Multiphase, 60 hertz, at available secondary voltages. Motors shall have a locked rotor indicating code letter of A through C.

C. Rate

The monthly sum of:

Monthly Service Charge	\$54.00
Energy Charge	
All kWh used October – May	\$0.11300 per kWh
All kWh used June – September	\$0.12900 per kWh
Power Cost Adjustment	Schedule PCA per kWh
Minimum Charge	Monthly Service Charge

D. Taxes

Wisconsin sales tax and local tax additional where applicable.

E. Power Cost Adjustment

A power cost adjustment will be included in all monthly billing as defined by the Cooperative’s current rate schedule PCA.

F. Terms of Payment

All meters are read monthly by the automated meter reading system or by Cooperative personnel. Payment is due when the bill is received. In no circumstances will the cumulative time before notice of disconnection be less than 20 days after the date of issuance of the bill and an account may be deemed delinquent for the purpose of disconnection after such period has elapsed. A late payment charge of 1% per month will be added to utility bills not paid and credited prior to the succeeding monthly billing.
