Power Cost Adjustment

A power cost adjustment will be included in all monthly billing as defined by ECEC's current rate schedule PCA.

Terms of Payment

All meters are read monthly by the automated meter reading system or by the Cooperative's personnel. Payment is due when the bill is received. In no circumstances will the cumulative time before notice of disconnection be less than 20 days after the date of issuance of the bill and an account may be deemed delinquent for the purpose of disconnection after such period has elapsed. A late payment charge of 1% per month will be added to utility bills not paid and credited prior to the succeeding monthly billing.
