# Youth Ambassadors make a BIG difference

Whether it's working together on community service projects or touring local renewable energy facilities or learning about careers, our Youth Ambassadors make a difference. Area high school students (grades 9-12) will explore electrifying energy issues plus stimulating co-op and youth leadership topics at monthly gatherings September through May. Students will also work together on rewarding community service projects. This all happens while making new friends and creating experiences to include on your job and higher education resumes.

## Listen to what they have to say!

Earlier this year the Youth Ambassadors starred in their own video. And, you can see it at [www.ecec.com](http://www.ecec.com). Click on the COMMUNITY tab. Tell your friends!

## Youth Ambassadors give back

Youth Ambassadors work together to give back to our communities. Here are just a few of the community service projects:

- Making fleece scarves and blankets for those in need
- Prepare and serve meals at The Community Table
- Breakfast in the Valley
- Bell ringing for the Salvation Army
- Local roadside clean up
- Red Cross Blood Drive
- St. Francis Food Pantry
- Feed My People Food Bank
- Fund-raising events for community service
- Hope Gospel Mission store
- Earth Day event
