

POWERING THE AMERICAN SPIRIT

School buses will be on the road soon!

Help keep kids **SAFE** by driving
carefully around school buses.

1. If the yellow or red lights are flashing, traffic must stop.
2. Never pass a bus from behind or any other direction if it is stopped to load or unload children.
3. Be alert and keep children safe. Children are often unpredictable and might be unaware of hazards and take risks.
4. And, remember not to speed.
