Members Vote for Directors

**Absentee ballots available
after February 8, 2019**

One Member One Vote

This is your chance to take part in the democratic process of your cooperative. One advantage of being a member of Eau Claire Energy Cooperative is that each member has one vote in the annual Board of Directors' election. Directors are placed on the ballot according to district boundaries, but each member votes for all district positions. The opportunity for you to vote for your board members comes up again on Tuesday, March 19, 2019 at the 82nd Annual Meeting at The Florian Gardens in Eau Claire. Watch your March issue of the WEC News magazine for complete details on the meeting as well as the candidate biographies and photographs.

In December 2018 the Nominating Committee met at the Eau Claire Energy Cooperative headquarters and selected the slate of candidates for three of the districts that represent the Board of Directors.

District No. 3

Ludington and Seymour, East of County Road UN, Eau Claire County; Sigel, including the Village of Cadott, Goetz, and Edson, Chippewa County; and the Town of Butler, Clark County.

▶ **Michael Schummer, Incumbent**

District No. 7

Washington, East of South Lowes Creek Road, North of Walnut Road, and North of an Easterly extension of Walnut Road to Mathwig Road, and North of Mathwig Road, Eau Claire County, except land in District 2.

▶ **Andrew Bourget, Incumbent**

District No. 9

Wilson, Bridge Creek and Fairchild, Eau Claire County; Garfield, Cleveland and Northfield, Jackson County.

▶ **Clarence Boettcher, Incumbent**

(A joint membership may cast only **one collective vote** on each issue or for each elective position.)
