

Leadership learning opportunities available!

Youth Ambassadors have the opportunity to apply for full scholarships to attend special co-op leadership conferences and meetings in 2020. They are wonderful occasions to make new high school friends from other areas in Wisconsin and around the country. Plus, they are fun times to learn firsthand and practice proven leadership skills. These events are included:

- Co-ops YES! Conference in March
- Washington, D.C. Youth Tour in June
- Youth Leadership Conference at UW-River Falls in July

Be a Co-op Super Hero!

Our Youth Ambassadors are Super Heroes around the community. They work together on community service projects to help make life better. They learn by touring local renewable energy facilities and local businesses. They gather at ECEC headquarters to study careers, and learn how to fill out resumes and interview for jobs. Area high school students (grades 9-12) are invited to explore electrifying energy issues, plus stimulating co-op and youth leadership topics at monthly meetings September through May.
