This is your chance to take part in the democratic process of your cooperative. One advantage of being a member of Eau Claire Energy Cooperative is that each member has one vote in the annual Board of Directors' election. Directors are placed on the ballot according to district boundaries, but each member votes for all district positions. The opportunity for you to vote for your board members comes up again on Tuesday, March 17, 2020 at the 83rd Annual Meeting at The Florian Gardens in Eau Claire. Watch your March issue of the WEC News magazine for complete details on the meeting as well as the candidate biographies and photographs.

In December 2019 the Nominating Committee met at the Eau Claire Energy Cooperative headquarters and selected the slate of candidates for three of the districts that represent the Board of Directors.

District No. 1

Seymour, West of County Road UN, Eau Claire County; Hallie and Lafayette, Chippewa County, except land in District 2, and the Village of Lake Hallie.
